## **Brent Parent Carer Survey to support the PINS Project year 2**

We are very excited to be part of this project and to be working in Partnership with your school.

Brent Parent Carer Forum is an independent parent led strategic group whose role is to seek the views of parent carers and feedback the Local Authority and Health.

### **BRENT PARENT CARERS CIC**

We are looking forward to meeting you all in September at your schools coffee morning. We would be really grateful if you could complete the survey below. It's a very short survey and we would like to ask to at the start of this project to gain an understanding of your knowledge and confidence at the start of our engagement and then again at the end in March 26.

This survey is part of the Partnership for Inclusion of Neurodiversity in Schools (PINS) funded by NHS England in partnership with the Department of Education, Department for Health and Social Care and the National Network of Parent Carer Forums (NNPCF).

The purpose of the project is to improve the experience of mainstream school for children who may have an additional educational need. The information from the survey will be used to understand the current strengths and potential areas of improvement in a school.

**The survey is for all parents and carers of children attending schools participating in the project. If you have more than one child, please feel free to complete a survey for each child.**

**All information provided will be stored, used and accessed confidentially in accordance with Data Protection legislation.**

**The individual information provided will only be accessible to the PINS team. Your individual survey response will NOT be shared. The only time information will be shared is if it raises a concern for someone's safety.**

**A thematic summary of the survey results will be shared with your participating school and PINS project partners from NHS England, Department of Education and NNPCF.**

**Due to being anonymous, this survey is not a suitable way to raise any specific concerns you may have about your child(ren) or their school. It is also not suitable for reporting any safeguarding concerns. If you have any safeguarding concerns relating to your child or other children in the school, please contact the school Designated Safeguarding Lead in the first instance, and follow your school or local area protocols.**

**The information from the survey will be used to understand the current strengths and potential areas of improvement in a school. The anonymised, thematic data will be used and shared with primary schools and PINS project team.**

**Once consent has been provided you have the right to withdraw your views and your views will be removed, however where data has been anonymised and amalgamated into thematic responses in certain circumstances it may not be able to be excluded.
