

Dear Parents and Carers,

We are excited to announce that we will be celebrating World Book Day on **Thursday 6th March 2025**. World Book Day is a fantastic opportunity to celebrate the joy of reading and the importance of books in a child's life and education. We will be taking part in various activities throughout the day. Please see below:

Dressing up

Children are encouraged to come to school dressed up as their favourite book character or the front cover of their favourite book on **Thursday 6th March 2025**. To ensure that every child can participate fully, we ask that costumes are comfortable and practical for a day of school activities, including footwear (no high heeled shoes). In preparation for the dressing up, we would like to invite you to a **Coffee morning on Wednesday 5th March 2025**. This will be an opportunity for you and your child/children to spend some time together to create your own costume for them to wear on World Book Day. If you would like to attend this coffee morning, please sign up using the link below.

Share a story

We will be hosting a 'Share a Story' session where you can come into school to share a story with your child as a family. Together, you can enjoy reading a variety of books, foster a love of reading and encourage shared story telling. For our KS1 parents, you will have the opportunity to see how we share stories with younger children and pick up strategies for engaging them with books.

We will be running 2 sessions for different year groups:

- Years 3, 4, 5 and 6: 8:55 – 9:25am
- Nursery, Reception, Year 1 and Year 2: 2:40-3:00pm.

Please note, if you come to the morning session and you are a parent with children in different year groups, all the children will join you in the hall so that you can read as a family.

If you are interested in attending either of the sessions above, please sign up using the link below.

We encourage you to take this opportunity to read with your child and share a story at home as we believe that this nurtures a lifelong love of books. Together we can help our children see reading as a fun, enjoyable, and enriching part of their lives.
